I have been a customer of your store for several years now. The service is impeccable, the quality of merchandise is outstanding, and the design suggestions that you provide have always been inspirational. I have yet to be disappointed, but I am always challenged to make my home warm, and exciting. The "wow factor" is always high when people come to my home, thanks Niche Décor.

I have been a big fan of Niche Decor for about four years, and when I moved to Toronto a year-and-a-half ago, I bought my entire living room suite from you. I continue to visit your wonderful store on a regular basis. Your merchandise is outstanding, and the service can't be beat. I look forward to my next visit to Niche Decor.
